

ADAX
L.K. AVALON 1992

Step into the role of a special agent on a life-or-death mission! The planet Adax hides mysterious laboratories where the most dangerous technologies have been created. Your mission is to recover stolen disks, eliminate enemies, and destroy the complex.

Traverse perilous locations, evade guards, fight robots, and solve puzzles to complete your mission. Armed with shurikens, grenades, and your courage, you will face the toughest challenge of your career.

Can you conquer Adax and return victorious? Only true heroes will survive!
